CASE NO.: 86203-06

**Emergency Assessments, Percentages, Timing,
Procedures for Remitting and Reporting.**

ORDER

TO: All "Authorized Insurers" as defined herein, which write property and casualty lines of business in this state.

THIS CAUSE came on for consideration upon the determination by the State Board of Administration (**BOARD**), pursuant to the provisions of Section 215.555(6)(b), Florida Statutes that the amount of revenue produced under Section 215.555(5), Florida Statutes is insufficient to fund the obligations, costs, and expenses of the Florida Hurricane Catastrophe Fund (**FUND**) and the Florida Hurricane Catastrophe Fund Corporation (**CORPORATION**), including repayment of revenue bonds and that portion of the debt service coverage not met by reimbursement premiums. Pursuant to the provisions of S. 215.555(6)(b), Florida Statutes, the **BOARD** has directed the Office of Insurance Regulation (hereinafter referred to as the "**OFFICE**") to levy, by order, an emergency assessment on direct premiums for all property and casualty lines of business in this state. The **OFFICE**, having considered the statutory direction of the **BOARD** and being otherwise fully advised in the premises, hereby finds as follows:

JURISDICTION AND FINDINGS OF FACT

1. The **OFFICE** has the requisite authority and duty, pursuant to Section 215.555, Florida Statutes (the "Act"), the Florida Insurance Code, Section 624.307, Florida Statutes to issue and enforce this Order.

2. Hurricanes Dennis, Katrina, Rita and Wilma, caused substantial property damage in Florida during the 2005 hurricane season; and

3. Certain of the hurricanes causing property damage in the 2005 hurricane season caused insured losses covered by the **FUND**.

4. The **BOARD**, pursuant to the Act, has determined that the amount of revenue produced from reimbursement premiums is insufficient to fund the obligations, costs and expenses of the **FUND** and the **CORPORATION**, including repayment of revenue bonds and that portion of the debt service coverage not met by reimbursement premiums. Therefore, pursuant to Section 215.555(6)(b), Florida Statutes, the **BOARD** has adopted the Resolution (attached as Exhibit "A" hereto), directing the **OFFICE** to levy emergency assessments.

5. The Resolution directs the **OFFICE** to levy the emergency assessment on the direct written premiums for property and casualty lines of business in this state, with the exception of premiums for workers' compensation policies, premiums for accident and health insurance policies, premiums of medical malpractice insurance policies and premiums for policies written under the National Flood Insurance Program.

WHEREFORE, pursuant to the Act and the Resolution, the **OFFICE** issues this Order.

Accordingly, IT IS HEREBY ORDERED:

(1) Effective January 1, 2007, an emergency assessment is hereby levied upon the direct written premiums for property and casualty lines of business (as defined in paragraph 2 below) of Authorized Insurers as defined in Section 624.09(1), Florida Statutes, and of any residual market entity created pursuant to Section 627.351, Florida Statutes (the "Authorized Insurers"). Authorized Insurers includes all property and casualty insurers holding a valid Certificate of Authority regardless of whether the Certificate of Authority was issued prior to or during an effective Assessment Period (as hereafter defined).

(2) The term "property and casualty lines of business" includes those lines of business identified on the Exhibit of Premiums and Losses for the State of Florida in the National Association of Insurance Commissioners annual financial statement required of Authorized Insurers by Section 624.424, Florida Statutes. The term "property and casualty lines of business" for purposes of this Order does not include workers' compensation policies, accident and health policies, medical malpractice policies, or policies written under the National Flood Insurance Program. The lines of business, with the corresponding line number, currently subject to emergency assessment under this Order are as follows:

- a. Fire (Line No. 01)

- m. Other Liability (Line No. 17)
- n. Products Liability (Line No. 18)
- o. Private Passenger Auto No-Fault (Line No. 19.1)

- s. Private Passenger Auto Physical Damage (Line No. 21.1)
- t. Commercial Auto Physical Damage (Line No. 21.2)
- u. Aircraft (all perils) (Line No. 22)
- v. Fidelity (Line No. 23)
- w. Surety (Line No. 24)
- x. Burglary and Theft (Line No. 26)
- y. Boiler and Machinery (Line No. 27)
- z. Credit (Line No. 28)
- aa. Aggregate Write Ins For Other Lines of Insurance (Line No. 33)

(3) Authorized Insurers shall collect the emergency assessment from each property and casualty policyholder with a policy that is issued or renewed during an Assessment Period. An "Assessment Period" begins on each January 1 and continues for twelve-months. The emergency assessment shall be assessed in each successive Assessment Period until further Order of the OFFICE. Each insurer shall collect the emergency assessment at the same time it collects a premium payment. When an insurer is required to return an unearned premium, it shall also return any collected emergency assessment attributable to the unearned premium.

(4) The emergency assessment is 1% of direct written premium on each policy and the same percentage shall apply to all transactions "related" to each policy. A transaction that is "related" to a policy subject to the emergency assessment includes, but is not limited to, endorsements on that policy, and audit premiums.

(5) Emergency assessment remittances are due from Authorized Insurers on the full amount of the direct written premiums attributable to policies issued or renewed within an

Assessment Period, even if the insurer collects premium through installment billing plans or other similar mechanisms.

(6) Each Authorized Insurer shall remit emergency assessments, by quarterly wire transfer, as follows:

(a) The wire shall be submitted to: Bank of America, Tampa, Florida
ABA # 026009593
Account # 5566388313
Account Name: SBA Florida Hurricane Catastrophe Fund
Emergency Assessment

(b) Assessments shall be remitted in an amount equal to 1% of the direct written premium, for the first calendar quarter no later than May 15, for the second quarter no later than August 15, for the third quarter no later than November 15, and for the fourth quarter no later than March 1 of the following year. If the applicable due date is Saturday, Sunday, or a legal holiday, then the actual due date will be the first business day immediately following the applicable due date.

(7) Adjustments to direct written premium shall be performed in the normal course of business with the resulting impact reflected in the quarterly assessment remittances. The direct written premium reported for the fourth quarter shall be reconciled with the Exhibit of Premiums and Losses in the National Association of Insurance Commissioners annual financial statement required of Authorized Insurers by Section 624.424, Florida Statutes, for the applicable year. No refunds of remittances by Authorized Insurers are permitted.

(8) The payment of emergency assessments by the Authorized Insurer is subject to interest on delinquent remittances at a rate determined by the **BOARD** and invoiced by the **FUND**.

(9) Emergency assessments are not premiums and are not subject to the premium tax, to any fees, or to any commissions. An Authorized Insurer shall diligently attempt to collect all

assessments owed by an insured. An Authorized Insurer must treat the failure of an insured to pay an assessment as failure to pay the premium.

(10) Authorized Insurers shall report such information relating to emergency assessments and direct written premiums as required by the **OFFICE**. Such information shall include, at a minimum, all information required pursuant to Rule 690-137.013, Florida Administrative Code (or any amendments thereto).

(11) Pursuant to Section 215.555(10), Florida Statutes, the failure to timely remit emergency assessments, to file any report required by this Order, or by the **OFFICE**, or to otherwise fail to abide by this Order shall be deemed to be a violation of the Florida Insurance Code. The **OFFICE** shall take all actions authorized by law or rule to enforce this Order and to assure that the emergency assessments (including any interest thereon) are properly collected and remitted.

A RESOLUTION OF THE STATE BOARD OF ADMINISTRATION OF THE STATE OF FLORIDA, ACTING AS THE GOVERNING BODY OF THE FLORIDA HURRICANE CATASTROPHE FUND, A TRUST FUND OF THE STATE OF FLORIDA CREATED BY SECTION 215.555, FLORIDA STATUTES; MAKING CERTAIN DETERMINATIONS; DIRECTING THE OFFICE OF INSURANCE REGULATION TO LEVY, BY ORDER, EMERGENCY ASSESSMENTS; AND DIRECTING THE OFFICE OF INSURANCE REGULATION REGARDING THE ASSESSMENT AMOUNT, TIMING, REPORTING, COLLECTION, REMITTANCE VERIFICATION AND ENFORCEMENT OF THE COLLECTION OF EMERGENCY ASSESSMENTS, AND ANY INTEREST THEREON.

WHEREAS, Section 215.555, Florida Statutes, (the "Act"), created the Florida Hurricane Catastrophe Fund (the "Fund"), a trust fund administered by the State Board of Administration (the "Board") of the State of Florida (the "State"), for the purpose of establishing a program to provide insurers who write covered policies, as defined in Section 215.555(2)(c), Florida Statutes, (the "Covered Policies"), with reimbursement for a portion of their catastrophic hurricane losses;

WHEREAS, pursuant to the Act, the Fund is authorized to collect reimbursement premiums from insurers writing Covered Policies in this State which have entered into a reimbursement contract with the Board, pursuant to Section 215.555(4)(c)1., Florida Statutes (the "Participating Insurers");

WHEREAS, the Act created the Florida Hurricane Catastrophe Fund Finance Corporation (the "Corporation") with the authority to issue revenue bonds and pay the proceeds of the bonds, through the Fund, to Participating Insurers, thereby enabling Participating Insurers to pay the claims of policyholders for hurricane damage to properties;

WHEREAS, the Board is authorized pursuant to Section 215.555 (6)(b), Florida Statutes, to direct the Office of Insurance Regulation (the "Office") to levy emergency assessments on the premiums on certain property and casualty lines of business in the State;

WHEREAS, Hurricanes Dennis, Katrina, Rita and Wilma caused substantial property damage in Florida during the 2005 hurricane season; and

WHEREAS, the Office shall verify the accurate and timely collection and remittance of emergency assessments and shall report the information to the Board in a form and at a time specified by the Board.

NOW, THEREFORE, BE IT RESOLVED by the Board, as the governing body of the Fund, as follows:

1. Pursuant to Section 215.555(6)(b)1., Florida Statutes, and Rule 19-8.013(4)(c)1., Florida Administrative Code, the Board hereby determines that the amount of revenue produced from reimbursement premiums is insufficient to fund the obligations, costs, and expenses of the Fund and the Corporation, including repayment of revenue bonds and that portion of debt service coverage not met by reimbursement premiums. In making this determination the Board has considered, pursuant to Rule 19-8.013(4)(c)1., Florida Administrative Code, the projected balance of the fund; anticipated additional Fund revenues; the meteorological severity and geographical area impacted by each covered event; and estimates of losses from the insurance industry, from individual insurers, from federal, state, and local emergency response entities, from loss reports submitted to the Board by Participating Insurers, from reviews of loss reports by the Fund's administrator, from information provided by modeling companies, from claims development patterns

derived from known historical events, and from an analysis of market shares of Participating Insurers in the impacted area. In addition, pursuant to Rule 19-8.013(4)(e), Florida Administrative Code, the Board hereby determines that moneys in the Fund will be insufficient to pay reimbursement at the levels promised in the reimbursement contracts, has determined the projected reimbursable losses of Participating Insurers, has determined that the Fund will not have sufficient funds to reimburse Participating Insurers for their reimbursable losses, and has determined the estimated shortfall which will be covered by the issuance of revenue bonds.

2. The Board hereby directs the Office to levy, by Order, a 1% emergency assessment on the direct written premiums for property and casualty lines of business in the State, including all lines of business identified on the Exhibit of Premiums and Losses, in the National Association of Insurance Commissioners (the "NAIC") annual statement required of authorized insurers by Section 624.424, Florida Statutes, except those lines identified as accident and health insurance, workers' compensation insurance, medical malpractice insurance and policies written under the National Flood Insurance Program. The Office is also directed to levy by Order an emergency assessment on the same property and casualty lines of business of surplus lines regulated under Part VIII of Chapter 626, Florida Statutes, and on each insured procuring property and casualty coverage and filing under Section 626.938, Florida Statutes, which assessments will be collected by the Florida Surplus Lines Service Office (the "FSLSO"). In determining the rate of emergency assessment, pursuant to Rule 19-8.013(4)(e)2., Florida Administrative Code, the Board reviewed available information from the Office of Insurance Regulation, the FSLSO and the NAIC, regarding direct written premiums, and has reviewed and

assessed existing market conditions regarding the issuance and sale of bonds to determine the amount of revenues which will be required to pay debt service on any bonds issued. Based upon this review, the Board hereby determines, pursuant to Rule 19-8.013(4)(e)2.c., Florida Administrative Code, that the rate of emergency assessment established herein is necessary to fund the obligations, costs and expenses of the Fund and the Corporation, including repayment of revenue bonds and that portion of debt service coverage not met by reimbursement premiums.

3. The Order to be issued by the Office which is directed at authorized insurers regulated by the Office is included herein as Appendix A. The Order to be issued by the Office which is directed to the FLSO is included herein as Appendix B.

4. The Orders provide that the emergency assessment shall be collected and remitted with respect to all policies issued or renewed on or after the effective date designated in the Orders. The emergency assessments levied under the Orders shall continue until the Office is directed by the Board to issue an Order superceding or terminating an Order levying emergency assessments, and the Office issues such Order.

5. The emergency assessments collected on policies, other than surplus lines policies, must be collected by authorized insurers from each policyholder at the same time the policyholder makes a premium payment. Emergency assessments, and any interest collected on delinquent remittance of emergency assessments pursuant to Section 215.555 (3), Florida Statutes, and Rule 19-8.013 (4)(e)3., Florida Administrative Code, must be remitted by authorized insurers in the manner directed by the Office.

6. The emergency assessments collected on surplus lines policies must be collected by each surplus lines agent at the same time as the agent collects the surplus lines tax

required by Section 626.932, Florida Statutes, and the agent must remit the emergency assessment together with any interest collected on delinquent remittance of emergency assessments pursuant to Section 215.555 (3), Florida Statutes, and Rule 19-8.013 (4)(e)3., Florida Administrative Code, as directed by the FLSO, at the same time as the agent remits the surplus lines tax to the FLSO. Insureds procuring coverage and filing under Section 626.938, Florida Statutes, must remit the emergency assessment as directed by the FLSO, at the time the insured pays the surplus lines tax.

7. The Orders shall be issued by the Office no later than 15 days following the adoption of this resolution. Executed copies of the Orders and any other information distributed therewith, shall be provided to the Board immediately after issuance.

8. In order to facilitate compliance with the Act, the Office shall:

a. Verify the accurate and timely collection and remittance of emergency assessments and report the information to the Board quarterly, utilizing forms that include information, by company, relating to the direct premiums written by line of business for the quarter, total direct premiums written for the quarter, total assessment remittance due, prior quarter remittance, difference of assessment remittance due and actual remitted assessment, date of remittance, number of days the remittance was late, date of the last follow-up, number of follow-ups, date of reporting to the Office, and any issues, actions or comments. The report shall also include, by company and by line of business, the total direct premiums written for the quarter, the total assessment due, and the actual remitted assessment.

b. On or before each April 15th and September 15th, provide the Board by line of business and by company, the most recent prior year end aggregate direct written

premium on such property and casualty lines of business as are subject to the levy of emergency assessments pursuant to Section 215.555, Florida Statutes.

c. Provide in the manner and time specified by the Board, any other information requested which is available to the Office and which is relevant to the levy, collection and verification of the emergency assessments.

9. In order to facilitate compliance with the Act, the Fund shall:

a. Provide to the Office remittance reports from the assessment collection agent selected by the Fund. Such reports shall be remitted on a daily basis fifteen days before and fifteen days after the assessment due dates, and on a monthly basis for all other periods.

b. Based on reports obtained from the Office, the Fund shall submit bills for interest on delinquent emergency assessments to Authorized Insurers as directed by the Board.

10. This resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED THIS 31 day of May, 2006.
